Dear Elvira:

Enclosed please find the printed final report for the Oceano Community Services District Median Household Income (MHI) Survey.

The report consists of documentation to determine the MHI for the water system. The report is categorized into the following sections:

1. Executive Summary Letter	2
2. Introduction	3
3. Survey Rationale	3
4. Income Survey Methodology	4
5. Survey Results	5
6. Exhibit A: Service Boundary Map, Area and Location Maps and Area Photos	6
8. Exhibit B: Residents List (response, no response, vacant homes/lots, vacation, and commercial).....	11
9. Exhibit C: Sample Explanation Letters and Survey Form.....	77
10. Exhibit D: Oceano Community Services District Median Household Income Data	86

If you have additional questions, please feel free to contact me at 707/489-6994.

***Subject: Oceano Community Service District Median Household Income Survey Results
Prop 1 Agreement No. D1612801 / TA Work Plan No. 5011-A***

Dear Elvira:

The State Water Resources Control Board – Division of Financial Assistance requested that Rural Community Assistance Corporation (RCAC) perform an income survey of Oceano Community Service District (CSD) located in San Luis Obispo County. The purpose of this survey is to establish a median household income (MHI) level for state and federal funding programs and sources. This survey has been completed and the results are attached (see Chart 1, pages 2-15).

The MHI for Oceano CSD is \$39,000 with a response rate of 12.9 percent.

*Oceano CSD has 3,133 parcels; twenty-one (21) are vacant homes; one-hundred (100) are vacation homes; one hundred and thirty (130) are commercial; and one (1) is a vacant lot, leaving 2,881 parcels (households) to survey. The 371 responses account for a **12.9 percent response rate**. The number of households in a range between 2701 – more requires a sample size of 10 percent to meet State and Federal guidelines.*

The survey was designed and conducted per Multi Agency Guidelines for Median Household Income Surveys established for the State Water Resources Control Board – Clean Water/ Drinking Water State Revolving Fund (SRF), and United States Department of Agriculture – Rural Development.

Please free feel to contact me if you have additional questions or need further assistance. I can be reached at phone number: 916/447-9832 ext. 1064, or e-mail: kstrong@rcac.org.

Yours truly,

Introduction: Oceano Community Services District (OCSD) is a publically owned water system, governed by a five member board of directors (California Public Water System Number CA4010005). Oceano Community Services District is located in San Luis Obispo County.

OCSD has 3,133 parcels; twenty-one (21) are vacant homes; one-hundred (100) are vacation homes; one hundred and thirty (130); and one (1) is a vacant lot leaving 2,881 parcels (households) to survey. The 371 responses account for a **12.9 percent response rate**. The number of households in a range between 2,701 - more requires a sample size of 10 percent to meet State and Federal guidelines.

OCSD plans to apply for planning and design funding for water system upgrades and improvements to improve fire flows and water quality and to reduce systems leaks.

In order to be eligible for optimal funding options, OCSD, needed to establish their Median Household Income (MHI) for the service area. The Water Board requested that Rural Community Assistance Corporation (RCAC), a private, nonprofit organization, perform the MHI under RCAC's Prop 1 contract with the State Water Resources Control Board - Division of Financial Assistance.

Survey Rationale: The current census data encompassed a larger area than the proposed project boundaries (see Area Maps, Exhibit A, pages 6-10). Therefore, the OCSD felt the census numbers did not adequately reflect the customers' household income. The addresses of those surveyed are attached and titled "Residents' List of the Oceano Community Services District" (see Exhibit B, pages 11-76).

**Income
Survey
Methodology:**

A unique survey number is randomly assigned to each household receiving a survey questionnaire to maintain the respondent's anonymity. The customer's personal information (name, phone, etc.) is considered confidential and is not provided to any funding agency or other entity. RCAC will retain the original survey forms containing personal information on file at their corporate office, 3120 Freeboard Drive, Suite 201, West Sacramento, California, 95691 for seven (7) years.

A letter of explanation in English and Spanish was mailed and/or delivered on September 11, 2017 to all households within the survey area. The first survey letter and form, in English and Spanish, and corresponding postage-paid reply envelope were mailed and/or delivered to each household on September 18, 2017 (see Exhibit C, pages 77-85). The surveys were mailed back to RCAC to maintain customer privacy.

Oceano Community Services District provided RCAC with addresses for the parcels used in the survey (see Exhibit B, pages 11-76). RCAC, in consultation with the State Water Resource Control Board – Division of Financial Assistance, developed the survey letters and form (see Exhibit C, pages 77-85).

The income survey form listed income categories and requested respondents to provide the households total gross annual income from 2016 Federal tax filing. It also asked if the respondent had lived in the residence more than six months out of the year; if the residence was a vacation home, rental or commercial property; and how many people reside at the residence more than six months out of the year.

Funding agency guidelines require that an impartial agency conduct the income survey using an approved format. The median household incomes for the project service area survey was calculated by RCAC as follows:

The median income is defined as that income in the middle of the data collected from the universe after all incomes are ranked in order from lowest to highest incomes. For example, if there are nine houses surveyed, and the five ranks of income are \$10k, \$13k, **\$14k**, \$19k, \$150k, then **\$14k** is the median income because it is two from the top rank and two from the bottom rank.

The median may require averaging if you have an even number of universe data available, and the two incomes in the middle are different.

Upon receiving the completed surveys, RCAC calculated the MHI for the project service area community. This number was submitted to the State Water Resources Control Board – Division of Financial Assistance (DFA) and State Revolving Fund administrators, and the Oceano Community Services District.

The definition of household income is the total gross income in the previous calendar year, in this case calendar year 2016, from **all sources**, by all members of one single residence. The final results of the survey will be used by DFA to measure the community's ability to finance the project and to determine whether or not assistance in the form of a special low interest loan rate or grant is needed.

**Survey
Results:**

An income survey was conducted within the Oceano Community Services District's service boundaries. A summary of the results are listed below with more detailed information in the exhibits. The MHI for this survey only counted residences occupied for more than six months of the year.

OCSD has 3,133 parcels; twenty-one (21) are vacant homes; one-hundred (100) are vacation homes; one hundred and thirty (130) are commercial; and one (1) is a vacant lot leaving 2,881 parcels (households) to survey. The 371 responses account for a **12.9 percent response rate**. The number of households in a range between 2,701 - more requires a sample size of 10 percent to meet State and Federal guidelines.

The Median Household Income for Oceano Community Services District is at \$39,000 (see Exhibit D, pages 86-97).

Response Rate:

Total number of parcels	3,133
Total number of vacant lots, vacant homes, vacation homes, or commercial parcels	252
Total number of residential parcels surveyed	2,881
Total number of surveys returned	371
Total number of default responses	0
Total number of non-responses	2510
Response rate calculation	371 ÷ 2881 = 12.9%

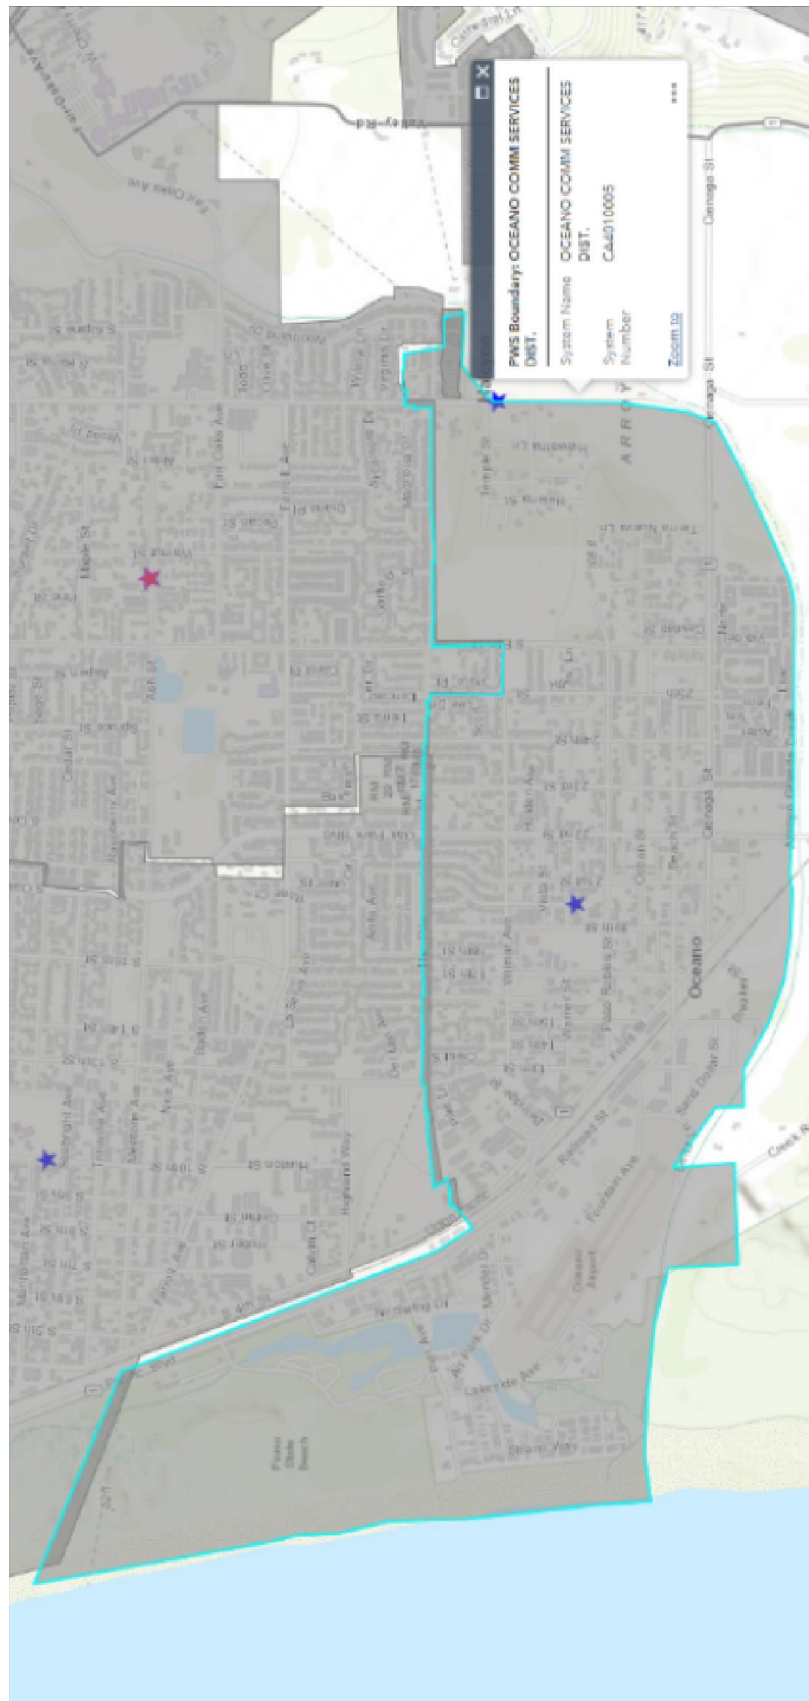

The results of this survey may be used to support loans and or grant applications to multiple funding agencies, for multiple types of projects benefiting residents within the survey area. Each funding agency has unique criteria for determining funding awards. A funding agency may look at the survey in terms of whether a community is disadvantaged, the percentage of low to moderate income people in the survey area, the MHI of the survey area in relation to State non-metro MHI's, or other criteria. These factors help a funder determine whether a project is eligible for funding, whether it is eligible for grants, what percentage of grant is available in a grant loan package, or what interest rates the project qualifies for in a loan. Eligibility of a project for funding changes with time, so the funding package available to a project this year might not be the same package available next year.

RCAC makes no claims regarding funding eligibility of any projects the system may be considering, now and in the future. Further, funding agencies generally use the most recent and accurate income survey results available when funding projects. RCAC makes no claims about how long the results of this survey will remain valid before being superseded by other newer surveys. It is recommended that the system contact any funding agencies under consideration directly to discuss funding eligibility.

Dear Customer:

Oceano Community Services District (OCSD) has plans to apply to the state and federal funding programs for OCSD's water/wastewater system improvements and upgrades. We hope to optimize our funding opportunities for these improvement projects:

Water system upgrades and improvements to improve fire flows and water quality and to reduce systems leaks.

As part of the funding application process, we have an impartial third party contractor to perform a focused household income survey of our customers. This income survey will be used by funding agencies to determine OCSD's eligibility for optimal funding alternatives.

OCSD has requested that the Rural Community Assistance Corporation (RCAC), a non-profit corporation, and approved by SWRCB – DFA to conduct the survey. An income survey letter and form will be mailed to you in the next few days from RCAC. Please complete the information and return it to RCAC in the postage-paid envelope that will be included. The District needs a high response rate to be considered for optimal funding alternatives. **No identifying information will be provided to the funding agency or OCSD. Responses to this survey are confidential.**

You can help your community and water system obtain the best possible funding from federal and state funding agencies by completing and returning the survey form, so that needed improvements can be made. Thank you for your assistance. For more information please feel free to contact:

Estimado cliente:

El Distrito de Servicios Comunitarios de Oceano (OCSD, por sus siglas en inglés) tiene planes de aplicar a varios programas estatales y federales para mejoramientos necesarios al sistema de agua y saneamiento de OCSD. Esperamos optimizar nuestras oportunidades de recibir ayuda financiera para los siguientes proyectos de mejoramientos al sistema:

Mejoramientos y actualizaciones al sistema de agua para mejorar los flujos contra incendios, mejorar la calidad del agua y para reducir la cantidad de fugas en el sistema.

Como parte del proceso de solicitud de financiamiento, tenemos un contratista imparcial para realizar una encuesta enfocada en los ingresos de los hogares de nuestros clientes. Esta encuesta de ingresos será utilizada por las agencias de financiamiento para determinar la elegibilidad de OCSD para alternativas óptimas de financiamiento.

OCSD ha solicitado que la Corporación de Asistencia Comunitaria Rural (RCAC, por sus siglas en inglés), una corporación sin fines de lucro, y aprobado por la SWRCB - DFA para llevar a cabo la encuesta. Una carta y un formulario de encuesta sobre sus ingresos serán enviados a usted en los próximos días por RCAC. Por favor complete la información y devuélvala a RCAC en el sobre incluido. El Distrito necesita una alta tasa de respuestas para ser considerado para alternativas óptimas de financiamiento. **No se proporcionará información de identificación a la agencia de financiamiento o al OCSD. Las respuestas a esta encuesta son confidenciales.**

Usted puede ayudar a su comunidad y al sistema de agua obtener la mejor financiación posible de agencias de financiamiento federal y estatal completando y devolviendo el formulario de la encuesta, para que los mejoramientos necesarios puedan ser hechos. Gracias por su asistencia. Para más información, póngase en contacto con:

ATTENTION: RESIDENTS OF OCEANO COMMUNITY SERVICES DISTRICT

September 18, 2017

The Oceano Community Services District (OCSD) has authorized the Rural Community Assistance Corporation to conduct a confidential income survey of the residents in the OCSD service area. Attached is the survey form that will be utilized to obtain the needed information. Please complete the survey to the best of your ability. The information on this survey is necessary to assist the District to obtain funding from state funding programs.

Oceano Community Services District needs to make water system upgrades and improve fire flows and water quality to reduce systems leaks.

This survey is being conducted to establish an accurate Median Household Income (MHI) of the drinking water service area. **This information will not be made public. It is important that the information you provide is an accurate representation of the questions asked. Please take the minute or two that it takes to complete the survey now.** The Rural Community Assistance Corporation has enclosed a self addressed postage paid envelope for you to return the completed survey form. If you request it, assistance can be arranged to help you fill it out. The envelopes are provided to maintain confidentiality of your information. The envelopes are numbered to keep track of who has turned in completed survey forms.

If a response is not received within 15 days, you will receive an additional notice with a second copy of the form for your response. A high response rate is needed for the District to be considered for optimal funding alternatives. No identifying information will be given to the Oceano Community Services District, or the Division of Financial Assistance (DFA) to maintain confidentiality.

Once the completed surveys have been received, the Rural Community Assistance Corporation will analyze the responses, determine the MHI for your community, and report the results to the funding agency's that disburses the various state funds. **Responses to this survey form are confidential.**

If you would like more information about the survey and how the information will be utilized to assist the residents of the OCSD, please feel free to contact:

ATENCIÓN: RESIDENTES DEL DISTRITO DE SERVICIOS COMUNITARIOS DE OCEANO

18 de Septiembre, 2017

El Distrito de Servicios Comunitarios de Oceano (OCSD, por sus siglas en inglés) le ha dado la autoridad a Rural Community Assistance Corporation (RCAC, por sus siglas en inglés) para conducir una encuesta confidencial sobre los ingresos de los residentes servidos por OCSD. Adjunto está el formulario de encuesta que va ser utilizada para obtener la información necesaria. Por favor llene Ud. la encuesta lo mejor que pueda. La información en esta encuesta es necesaria para ayudar al distrito obtener fondos de varios programas federales y estatales.

OCSD necesita hacerle mejoramientos al sistema de agua para mejorar los flujos contra incendios, mejorar la calidad del agua y para reducir la cantidad de fugas en el sistema.

Esta encuesta va a establecer un Ingreso Doméstico Mediano (IDM) preciso de los residentes dentro de la área de servicio del OCSD. **Esta información nunca será pública. Es muy importante darnos una representación precisa de las preguntas en la encuesta. Por favor, tome algunos minutos para completar la encuesta ahora mismo. RCAC le ha dado a Ud. un sobre con una estampilla pre-pagada para que regrese la encuesta lo más pronto posible.** Si usted lo pide, se podrá dar ayuda en completar la encuesta. Proveímos los sobres para mantener la confidencialidad de su información. Los sobres tienen números para que nosotros sepamos quien ha completado la encuesta y quien no lo hizo.

Si no hemos recibido una respuesta dentro de 15 días, se le mandará una segunda notificación con nueva copia de la encuesta para obtener su respuesta. Se requiere una alta tasa de respuesta para que el OCSD sea considerado para las alternativas de fondos óptimos. Ninguna información identificadora estará disponible al OCSD, ni a las agencias financieras como la División de Asistencia Financiera.

Después de recibir suficientes respuestas, RCAC las tabulará y analizará, determinará el Ingreso Doméstico Mediano de su comunidad e inmediatamente reportará esta información a las agencias encargadas del desembolso de préstamos y subvenciones. **Las respuestas de esta encuesta son confidenciales.**

Si le gustaría obtener más información sobre la encuesta o como esta información será utilizada para ayudar a los residentes servidos por el OCSD, por favor póngase en contacto con:
