Oceano Fire Department

REPORT for May 2009

During the month of May, the department responded to a total of 65 calls. 28 were in Oceano, 12 were in Grover Beach, 10 were in Arroyo Grande, 10 were with Cal Fire and 5 on the beach. Of the 28 calls in Oceano, 19 were EMS related, 2 fire and 7 miscellaneous calls. This put the total as of this report to 353. This time last year the call total was 312. The department averaged 2.1 calls per day.

Training-

Joint Training with Arroyo Grande and Grover Beach FD

Wildland Firefighter Safety, Fire Shelters, Heat related injuries and progressive hose lay evolutions.

The three departments also hosted a Wildland Urban Interface drill that was attended by numerous fire departments within the county. The drill allowed the participants to train in structure protection, mobile fire attack and water shuttle. Big kudos to Chief Heath and the rest of the personnel that assisted with organizing the event.

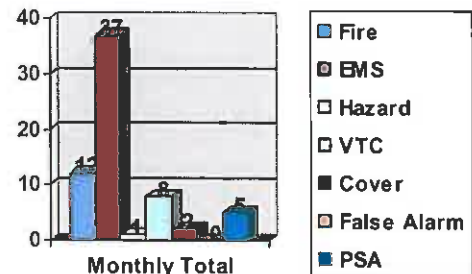

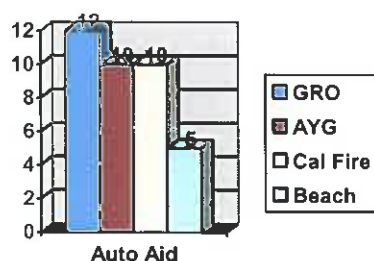

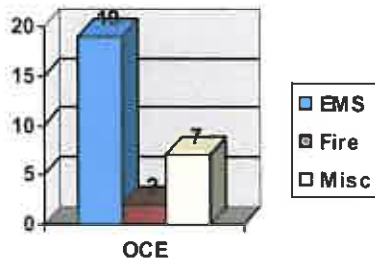

Equipment-

We had to replace a tire on the Patrol 61 because of damage to the bead. Since the tire is being discontinued, we chose to order an additional tire as a backup.

Operations-

The fire department completed the grant process for the 2009 AFG Grant and continuing to work on finalizing the 2008 AFG Grant for the exhaust removal system.

The department is close to purchasing all the items that were funded for the 08-09, we did receive the turnout lockers, digital camera's, Brush 61's storage lockers and the hose roller. We still need to purchase the ventilation fan, hand held radios and a hydraulic hose.

Dear Non-Profit Organization,

This brochure has been developed to assist you in the set-up of your fireworks sales booth within the District of Oceano.

In order to avoid a delay in the opening of your booth, carefully review the enclosed checklist to ensure that your booth is in compliance. The Fire Department will conduct initial inspections of your booth on the morning of Sunday June 28th. Fire Department staff will also conduct daily visits throughout the week to ensure your safety, as well as the safety of the community.

The Fire Department is committed to work in partnership with your organization, to ensure a prosperous fund-raising period for your group and a safe holiday for the citizens of our community.

If you have any questions after you review the enclosed information, please feel free to contact our Fire Department Administration Office at 805/481-6730

Respectfully,

Michael Hubert
Fire Chief

The Oceano Community
Services District
Wishes You & Your Family
A Happy & Safe

4th of July!

NO person under sixteen (16) years of age may purchase, possess, or discharge "Safe & Sane" Fireworks unless under the supervision of an adult.

Remember:

If it goes up in
the air, darts
across the
ground or
explodes, it's

DANGEROUS & ILLEGAL!

To Report the sale or use of illegal fireworks, please call the

San Luis Obispo County Sheriff
