Press Release – General Manager’s Resignation

Oceano, CA, (February 17, 2026)

The Oceano Community Services District announces that General Manager Peter Brown has advised the District that he is resigning effective June 13, 2026. Mr. Brown was appointed General Manager in May 2024 and worked with staff to address priorities identified by the Board. During his tenure, the District maintained its focus on fiscal sustainability, infrastructure improvements, grant funding, the FCFA Fire divestiture, and civility at meetings.

The Oceano Board of Directors thanks Mr. Brown for his dedication and commitment to the District and his many accomplishments for the benefit of Oceano residents and businesses.

“On behalf of the Board of Directors and the Oceano Community Services District, we are grateful for his time with us and wish Peter all the best,” said Board President Shirley Gibson.

“It has been a pleasure and a privilege to serve Oceano Community Service District,” said Mr. Brown. “I wish nothing but continued success for the District and its dedicated employees, and I will be available to assist with a smooth and efficient transition.”

“Selection of a permanent General Manager will be a top priority of the Board,” added President Gibson, “as our prime objective will be to continue our leadership in developing goals and strategies for the Board and the staff to accomplish together. The Board appreciates the hard work of all of its employees and is confident that together we will continue to make the best interests of the District our top priority.”
